

FLEXO™ Flyflex™ on Spools

For high volume users, or for resale in cut lengths, FLEXO™ Flyflex™ is available on convenient 5 5/8" diameter minispools designed to fit into our exclusive acrylic dispenser.

The acrylic dispenser tube is engineered to either sit on a counter or hang securely from its slatwall hanger. The clear acrylic makes inventory and reordering easy and the wide dispensing slots allow easy access to the material for cutting.

Instructional Video

Creative Tying Techniques with FLEXTM FlyflexTM

This instructional video is presented by Richard Whitner, whose fly patterns have collected at least 11 IGFA world records.

Richard first takes the viewer through the basics of working with FlyflexTM expandable body material, and then goes on the vise and ties 11 of his unique and successful FLEXTM FlyflexTM patterns. Each pattern is visualized from start to finish, with ongoing commentary and tying tips from Richard.

DVD only.
